BROCKPORT UNITED METHODIST WOMEN - 2007

PURPOSE OF UNITED METHODIST WOMEN

A community of women whose purpose is to know God and to experience freedom as whole persons through Jesus Christ;

to develop a creative, supportive fellowship, and to expand concepts of mission through participation in the global mission of the church.

PROGRAM THEME – 2007
RISE! SHINE! GLORIFY GOD!

STUDIES – 2007

Israel and Palestine:

This year United Methodists begin a two-year mission study on Israel/Palestine. The year 2007 marks 40 years of Israeli military occupation and colonization of Palestinian land in the West Bank, Gaza, and East Jerusalem. We will learn about the history and complexities of relationships between Israel and Palestine, explore and understand the concepts of security and freedom that dominate the lives of these peoples, and be challenged to move through tolerance and respect to achieve a just peace.

Globalization:

Throughout the history of the Schools of Christian Missions, United Methodists have turned their attention to issues of the economy, thus, continuing the church's public witness for economic justice. Today, in this time of globalization – when what occurs in one part of the world, whether it concerns wealth, poverty, abundance, and scarcity, affects people in many other parts - it is appropriate that as United Methodists, we once again focus on this issue.
